

2010 NATIONAL EXECUTIVE COMMITTEE ELECTIONS

TO: ALL YOUNG MEMBERS IN PCS

A MESSAGE FROM YOUNG MEMBERS IN LEFT UNITY

SUPPORT THE *DEMOCRACY ALLIANCE*

Following the general election, no matter who wins, increased and sustained attacks on our living and working conditions await us. Young people will bear the brunt. We're seen as easier and cheaper to get rid of. As cuts begin to bite, working conditions will get harsher. Increasing stress levels and higher targets will help the bosses' agenda of pushing us out the door on the cheap and dividing workers further in the name of savings and efficiency – unless we fight back.

That's why PCS members need a strong, capable left led leadership. The democracy alliance led national executive committee (NEC) has a proven track record of defending our jobs, pay and conditions. Alongside young members, the democracy alliance led NEC has ensured key issues relevant to young members', including on the attacks to the civil service compensation scheme (CSCS), are fully taken up. By encouraging and supporting the young members' network, the democracy alliance NEC has helped build a strong voice for young workers – ensuring we're participating and leading campaigns on conditions for call centre workers and permanent jobs for casual and fixed term staff. We're building important links with other young workers in other unions who face similar attacks and we're leading the way in uniting youth across communities through the youth fight for jobs campaign.

Our opponents in the right wing '4themembers' faction believe having a young members' network is a waste of money. We cannot trust those in the 'independent left' to take our work further as they spend most of their time criticising us from the sidelines - but are absent in putting forward an alternative strategy!

It's important you know the facts and ensure you vote for the right people to take young members' issues forward. We urge you to vote Democracy Alliance.
