

PCS NATIONAL ELECTIONS DEMOCRACY ALLIANCE

Dear Colleague

This leaflet is produced by PCS Left Unity and the PCS Democrats. Working together as the **Democracy Alliance** we have, for the past 13 years, built a campaigning, democratic union that has fought hard to defend member's interests in the face of relentless attacks. Please continue to support the **Democracy Alliance** by nominating at your Branch Annual General Meeting the candidates listed overleaf: the **Democracy Alliance** National Executive Committee (NEC) slate for 2017.

The **Democracy Alliance** NEC has: -

- Prevented thousands of compulsory redundancies ;
- Forced a review of the hated performance management system;
- Backed indefinite strike action and won the living wage and the reinstatement of a sacked rep at the National Gallery, won pay protection at the Scotland and Wales National Museums,
- Protected 300 jobs in BIS, stopped privatisation of Land Registry – twice, and won major concessions through determined campaigning in DWP, HMRC and other areas;
- Defeated the government's vindictive attempt to smash our union through withdrawal of check-off and ensured the union's financial stability.

- We have worked with other unions, campaign groups and our Parliamentary Group to defend our welfare state, campaign for tax justice and many other issues.

We are committed to working for political change based on a socialist alternative to Austerity and will continue to work with other unions, campaign groups and politicians who support our Alternative and step up the fight to build widest anti-austerity alliance in the trade union movement and wider society.

Our opponents in this election should stop their attacks against a leadership widely regarded as one of the most effective campaigning leaderships in the trade union movement and work with us to defeat the real enemy - the Tory government. Unity is strength.

Our priorities continue to be to build maximum unity in action both within and across the union to defend jobs, conditions and services; continue to demand coordinated action across the public sector to defeat the pay freeze alongside campaigns at departmental levels; promote equality, oppose discrimination; defend members in the Commercial Sector; defend union democracy and improve services to branches and reps and build union strength in our workplaces.

We urge every Branch to nominate the Democracy Alliance candidates overleaf. If you want a fighting union, you need to get your Branch to nominate these candidates. For more information - www.leftunity.org.uk and www.pcsdemocrats.org.uk
